

# MANUFACTURERS

**P**rentice's exceptional quality and success are due in part to our outstanding group of manufacturers. In our commitment to offer superior customer service and guarantees, we choose to work with only the best manufacturers in the business.

**Steelcase** is the world's preeminent designer and manufacturer of office furniture – leading the industry since 1974. Known as the “work-effectiveness company”, its comprehensive line of products has been universally specified by architects, designers, and space planners to create high performance work environments that harmoniously integrate architecture, furniture and technology.

**Brayton International** offers an eclectic collection of the world's designs handcrafted in America.

**DesignTex** offers a comprehensive collection of textiles for upholstery, wall coverings, panels, window treatments, and healthcare cubicles.

**Details** is a customer-driven, design-conscious company supplying innovative, award-winning work tools that address the needs of people working within the office environment to improve productivity.

**Revest, Inc.** is a customer resource for affordable and highquality remanufacturing of office furniture and systems, with distribution and service through Steelcase dealers throughout North America.

**Metro Furniture** is a company whose vision of developing innovative products responds to the changing needs of the workplace.

**Vecta** is dedicated to the principles of performance, innovation, and the concept of industrial elegance for the office environment.

**Global Group of Companies**, founded in 1966, is now one of the largest manufacturers and marketers of business furniture in the world.

**La-Z-Boy Business Furniture** offers you everything you desire office furniture to be – Beautiful, Comfortable, Functional and Affordable.

**Gunlocke Co.** has been providing high quality wood office furniture for business environments since 1902.

**Milliken & Company**, a leading international textile and chemical firm, is one of the world's largest manufacturers of carpets.
